New to the AmplifyChange Grants Portal?

To be considered for funding, the first step is to register in our Grants Portal providing details about yourself and your organisation. Please click 'Register' below to start.

Once approved, you will receive an email notification from AmplifyChange with login information. This will give you access to the portal, guidance resources, and our application forms. Please note that it can take up to three working days to become registered. At peak registration times, such as during a funding round, this process may take longer.

PLEASE NOTE: If you have previously had a grant with AmplifyChange or applied unsuccessfully for a grant in the last two years, you should request a reset of your password (using the link at the left) using the email address you previously registered with us.

- Once you have completed the three eligibility questions, and the system determines that you are eligible to set up an AmplifyChange profile, you will arrive at a page that asks questions about your organisation as well as your personal contact information and role.

Please answer these questions as accurately as possible as you will not be able to change them once submitted. They will be reviewed by our team to approve your registration, so they must be correct. Once completed, click 'Submit Request'.

4. Your registration will now be manually reviewed by the AmplifyChange team. This is to ensure accuracy and to avoid duplications with existing profiles. Please note that this process can take up to three working days in normal times, but potentially longer if we have a high demand, such as when a funding round opens.

5. Once the team has reviewed your request, you will receive an email that will say whether your request has been approved or rejected.
 - a. If your request has been rejected, it is likely due to the fact that your organisation does not meet our requirements for funding. You can review these requirements on our website www.amplifychange.org or email enquire@amplifychange.org if you would like to discuss your case with someone.
6. If your request has been approved, you will need to go to https://amplifychange.fluxx.io/user_sessions/new and set up a password. Click 'Reset or create password'

7. You will need to enter the email address you registered with – it will be the email address where you received the confirmation of registration.
